Report of Principal and School Improvement Council

Mid-Carolina High School in continued its long standing tradition of excellence for the 2009-2010 School Year.

The focus for school improvement has been, and will continue to be, student achievement. We were very pleased to see the percentage of students passing Advanced Placement (AP) exams go up significantly in Calculus, US history, Studio Art and English. Our graduation rate increased from 81% in 2008 to 85.6% in 2009 and 30% of our graduating class qualified for the LIFE scholarship. The ninth grade retention rate decreased from 55 students in 2008 to 32 students in 2009. We also received the prestigious Palmetto Gold Award for closing the achievement gap on the state report card.

MCHS is known for its strong athletic and fine arts programs. This year, all athletic teams advanced to the state playoffs, and several students competed and placed at the state level in track. Our football team went on to make the playoffs for the third year in a row, making it to the second round. Our cheerleaders competed for a state title. For the fourth year in a row, our archery team placed first in the state competition and qualified to compete at the national level in Kentucky. The band competed in the state marching competition. Our chorus students competed in many state activities, including the USC, Furman, Columbia College and Region Honor Choirs and All-State Chorus. Our art students also had an extraordinary year, with one student being selected to attend the Governor's School for the Arts and Humanities.

We will continue to strive toward engaging our students and reaching for the stars. It is important that we continue to develop strategies that will improve student achievement and use rigorous assessments tied to state standards. We are most proud of the role that our school plays in the community and we appreciate the support that we receive from parents and community members. We are also blessed with a dedicated faculty and staff, and their diligent efforts continue to foster improved student achievement at MCHS.
